

# Brittany's HOPE

Aiding Abandoned Children Worldwide

## Thank you for helping transform lives in 2018

### Our Promise to You

We believe in the fundamental right of all children to know the love of a family and we want to realize that mission in the most ethical way possible. If you are interested in knowing more about our kids, families, programs or finances, simply ask. We realized these are extraordinarily generous gifts, and it goes without saying that we recognize with deep gratitude the loving hearts of every of you. We promise to be the best possible stewards of your passion, time and money.
