Aiding Abandoned Children Worldwide
Your Successes in 2016

Our Promise

We believe in the fundamental right of all children to know the love of a family and we want to realize that mission in the most ethical way possible. If you want to know more about our kids, our families, our programs or our finances, just ask. We understand that giving is a very personal choice and we promise to be the best possible stewards of your passion, time and money.
